# BOOK 02

APRILE 2016

Interpretiamo l•Arredobagno
innovando continuamente il rapporto tra l•uomo e lo spazio,
tra il design e la funzionalità,
con un prodotto interamente Made in Italy
ma dalla forte vocazione internazionale.

Disegnamo lo spazio con creatività e con l•originalità degli stili,
scegliendo tra la naturalezza del legno e la fantasia dei colori,
tra geometrie fondamentali e forme inedite.
